The Authorized Department of Natural Resources Representative certifies that the above mentioned weight of ginseng was in the shipment at the time of certification. Outside of the information provided on the attached purchase receipts, the Representative has no way of certifying that all of the ginseng in the shipment is truly wild or that it was harvested legally from the counties or state reported during the open season and in accordance with all wild ginseng laws.

State of Wisconsin
Department of Natural Resources

By _____
Authorized Department of Natural Resources Representative

Date of Certification

Original: For dealer's use in commerce. To be retained with the ginseng shipment.

Duplicate: Send to: Department of Natural Resources, Bureau of Endangered Resources, Box 7921, Madison, WI 53707, no later than 30 days from shipment. Attach all purchase receipts that correspond to this shipment.

Triplicate: Dealer's copy - to be retained or returned to the dealer who originally purchased the ginseng from harvesters.

This original certificate must accompany the certified ginseng until it is exported from the United States, along with the appropriate CITES documents.
